Protektive Pak Static Control Product California Proposition 65 Compliance Statement

This is to certify the static control products purchased from Protektive Pak comply with California Proposition 65, also known as the Safe Drinking Water and Toxic Enforcement Act of 1986.

The product composition information is to the best of our knowledge and may be based on third party supplier information and/or our knowledge and experience regarding typical substance composition found in materials used to produce our static control packaging and other products.

A handwritten signature in black ink that reads "Norma Nahale".
